

Elise Erickson

(717) 218-4122 elisece717@gmail.com Atlanta, GA 30318

Profile

Honor Roll student through high school and into college. Earned a 1460 on the SAT and held a 4.0 GPA for the first three semesters of college before leaving to pursue an independent technology startup while working full-time.

Professional Experience

THE SPORTS REHABILITATION CENTER

LEAD PHYSICAL THERAPY AIDE

AUGUST 2021 - PRESENT

ATLANTA, GA

- Responsible for overseeing and coordinating the work of other physical therapy aides and volunteers.
- Interviewed, hired, and trained other physical therapy aides, by creating hiring standards materials, a training roadmap, and study guides.
- Built and implemented a more efficient patient arrival management system in JavaScript, resulting in improved communication between employees and clinical efficiency.
- Educated patients on proper exercise form and documented progress, effectively communicating with the therapist to optimize and improve treatment plans.
- Maintained clinic sanitation and operations, including appointment scheduling, inventory management, and patient documentation and billing.
- Utilized spreadsheets to improve track patient progress, calculate and streamline billing calculations.

GUSTO!

SHIFT LEADER

JULY 2020 - AUGUST 2021

ATLANTA, GA

- Promoted to Shift Lead within 6 months of joining the company due to exemplary performance and leadership skills.
- Supervised and directed a team of up to 10 staff members to serve hundreds of customers per hour, ensuring smooth operations and satisfied customers.
- Trained and onboarded new employees, imparting knowledge of food preparation, safety protocols, and customer service.
- Demonstrated strong problem-solving skills to resolve customer complaints and address operational, technological, and interpersonal issues promptly and independently.
- Maintained a clean and organized work environment, overseeing sanitation and food safety practices in accordance with ServSafe guidelines.
- Assisted in inventory management and restocking supplies as needed to prevent shortages and maintain smooth operations.
